

ORDINANCE NO. 03-11

AN ORDINANCE OF THE TOWN OF CENTURY, FLORIDA AMENDING ARTICLE II OF CHAPTER 34 OF THE CODE OF ORDINANCES OF THE TOWN OF CENTURY TO MAKE IT CONSISTENT WITH THE PROVISIONS OF FLORIDA STATUTES CHAPTER 205; PROVIDING FOR THE LEVY OF LOCAL BUSINESS TAXES AUTHORIZED IN FLORIDA STATUTES CHAPTER 205; PROVIDING FOR REGULATIONS PERTAINING TO LOCAL BUSINESS TAX RECEIPTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, in Chapter 2006-152, Laws of Florida, the Florida Legislature made numerous changes to Florida Statutes Chapter 205 to address certain instances of consumer fraud. Prior to adoption of that legislation, Chapter 205 was known as the Local Occupational License Tax Act, however it is now known as the Local Business Tax Act.

WHEREAS, although an occupational license issued by a city or county did not signify any particular competency to perform a particular occupation, unscrupulous contractors had represented to consumers that an occupational license was proof of the contractor's competency to perform various construction services. To address the misleading inference, the Florida Legislature revised Florida Statutes Chapter 205 to remove references to the term "occupational licenses" and replace it with the term "business tax receipts." Consequently, as opposed to a city or county issuing an occupational license, it now merely issues a receipt evidencing only that the business has paid its local business tax (previously known as an occupational license tax).

WHEREAS, Article II, inclusive of Sections 34-31 through 3-39, of Chapter 34 of the Town of Century's Code of Ordinances, requires amendment to make it consistent with the provisions of Florida Statutes Chapter 205.

WHEREAS, the Town Council has decided to adopt a local business tax classification and rate structure pursuant to Florida Statutes Section 205.0315 by adopting the classifications and rates studied and implemented in accordance with Florida Statutes Section 205.0535 by the City of Fellsmere, Florida, a municipality that is of comparable population to the Town of Century.

NOW, THEREFORE, be it ordained by the Town Council of the Town of Century, Florida, as follows:

SECTION 1. Article II of Chapter 34 of the Code of Ordinances of the Town of Century, Florida, is hereby amended to read as follows:

ARTICLE II. LOCAL BUSINESS TAX

Section 34-31. Violations; penalty.

Any person convicted of violating any of the terms of this article shall, upon conviction, be punished as provided by Section 1-16.

Section 34-32. Levy of tax.

There is hereby levied a local business tax in the amounts set forth in this article for the privilege of engaging in or managing any business, profession or occupation within the municipal limits of the Town of Century on any person who:

- (a) Maintains a permanent business location or branch office within the Town for the privilege of engaging in or managing any business within its jurisdiction;
- (b) Maintains a permanent business location or branch office within the Town for the privilege of engaging in or managing any profession or occupation within its jurisdiction; and
- (c) Does not qualify under subsections (1) and (2) of this section and who transacts any business or engages in any occupation or profession in interstate commerce where such business receipt tax is not prohibited by Section 8 of Article 1 of the United States Constitution.

Section 34-33. Business tax receipt required; evidence of doing business; display of license; penalty for violation.

- (a) No person shall engage in or manage any business, occupation or profession for which a local business tax receipt is required by this article or any other ordinance of the Town, unless such person shall first procure from the Town a business tax receipt to conduct the business, occupation or profession.
- (b) The fact that any person representing himself as engaged in any business, profession, or occupation for the transaction of which a business tax receipt is required or that the person exhibited a sign or advertisement or occupation shall be evidence of the responsibility of the person to procure a business tax receipt.
- (c) All business tax receipts must be signed by the Town Clerk or designee, and thereafter must be conspicuously displayed at all times.
- (d) Any person engaging in or managing any business, occupation or profession without obtaining a local business tax receipt, if required hereunder, shall be subject to a penalty of twenty-five percent (25%) of the tax due, in addition to any other penalty provided by law or ordinance.

(e) Any person who engages in any business, occupation, or profession who does not pay the required local business tax within one hundred fifty (150) days after the initial notice of tax due, and who does not obtain the required local business tax receipt shall be required to pay a penalty of \$250.00 per offense and is also subject to civil actions and penalties, including court costs, reasonable attorney's fees, and additional administrative costs incurred as a result of collection efforts.

Section 34-34. Business tax receipt required for each location; change in location.

A business tax receipt shall only be valid for the location to which it is issued. Additional locations require separate receipts. When determining which apartment, condominium, rental units under common controlling ownership, etc., comprise a location for assessing a business tax on the rental of the units, the following factors shall be considered: common management, common signage, common rental account, and site of the units in a compact, contiguous neighborhood. A change in location will require re-application and payment of a transfer fee as provided in Section 34-36.

Section 34-35. Application; affidavit.

No business tax receipt shall be issued except upon written application of the person applying for the same, and it shall be the duty of the Town Clerk or designee, before issuing a business tax receipt based wholly or in part upon square footage, number of units, or any other contingency, to require the person applying for such a receipt to file with the Town Clerk or designee an affidavit giving full and complete information thereof. The application and affidavit required by this section shall contain the information and be in the format required by the Town Clerk, and shall be retained as part of the Town's records.

Section 34-36. Transferability, fees; certificate of occupancy required.

(a) Each business tax receipt may be transferred to a new owner when there is a bona fide sale of the business upon payment of a transfer fee of ten percent (10%) of the annual business tax but not less than \$3.00 nor more than \$25.00 and presentation of evidence of the sale and the original business tax receipt.

(b) Upon written request and presentation of the original business tax receipt, any receipt may be transferred from one location to another location in the Town upon payment of a transfer fee of \$3.00.

(c) A certificate of occupancy is required prior to issuance of a business tax receipt.

Section 34-37. Terms; due dates for renewals; half-year business tax receipts.

(a) No business tax receipt shall be issued for longer than one year.

(b) All business tax receipts shall expire on September 30 and shall be renewable on or before October 1, unless otherwise specifically provided by law. If the renewal date falls on a weekend or holiday, the tax shall be due and payable on the next day which is not a weekend or holiday.

(c) Half-year business tax receipts may be issued under this article for the period of April 1 through September 30 upon payment of one-half the tax fixed as the amount of such receipt for one year, providing proof that the opening day of business is April 1 or later.

Section 34-38. Delinquency penalty.

Those business tax receipts not renewed when due and payable shall be considered delinquent and subject to a delinquency penalty of ten percent for the month of October plus an additional five percent penalty for each month of delinquency thereafter until paid; provided that the total delinquency penalty shall not exceed 25 percent (25%) of the local business tax for the delinquent establishment.

Section 34-39. Exemptions.

(a) The Town hereby adopts the exemptions required in Florida Statutes Chapter 205.

(b) Any person entitled to the exemption provided by this section shall upon application and the furnishing of the necessary proof be issued a business tax receipt which shall have plainly written across the face thereof the fact that it is issued under this section and the reason for the exemption shall be written thereon.

Section 34-40. Records of secondhand dealers.

Every person who shall deal in used secondhand or damaged articles or property by purchasing or selling them shall keep a full true record of each and every transaction of business, as required in Florida Statutes Chapter 538. Such records shall be open to inspection by any member of the Escambia County Sheriff's Department at any reasonable hour, and a duplicate, verified copy of such records shall be filed with the Escambia County Sheriff's Department on Monday of each week by the person to whom the business tax receipt was issued.

Section 34-41. Liability insurance required for wrecker services.

Proof of liability insurance is required for automobile wrecker services before a business tax receipt will be issued.
