WHAT DO FRANCIS M. WESTON AUDUBON SOCIETY (FMWAS), ROY HYATT ENVIRONMENTAL CENTER (RHEC), AND ESCAMBIA COUNTY HAVE IN COMMON?

DEDICATION TO ENVIRONMENTAL EDUCATION!!!

The RHEC was founded by Roy Hyatt in 1968. After various moves, in 1980 the RHEC began calling its Cantonment location "home." From day one, the Escambia County School District has funded and staffed the RHEC. Because of their dedication to the environment, the FMWAS of Pensacola offered their assistance. Since 2004, FMWAS has provided Naturalists and work groups to aid in the daily operations of the RHEC. The FMWAS now wants to expand its involvement by offering **Environmental Encounters Summer Camp** held at the Roy Hyatt Environmental Center.
