MAKE-UP TESTING					

<sup>\*</sup>CBT - Computer Based Testing

All tests include a Testing Rules Acknowledgment that reads: "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated." Prior to testing, students must acknowledge the testing rules that the test administrator reads to them by signing below the Testing Rules Acknowledgment.

If a student is found to be in possession of ANY electronic device(s) during testing OR during a break, his or her test must be invalidated in order to successfully enforce this policy.

If a student begins a session and leaves campus without finishing (for ANY reason), he/she will NOT be allowed to complete the test. No exceptions will be made once the student leaves the school's campus.

If your child is prescribed daily medication, please be sure that he/she takes the medication as directed.

For all FCAT 2.0 tests, Session 1 MUST be completed before Session 2. Any student absent for Session 1 may not participate in Session 2 until they have completed Session 1. Students who are absent the day Session 1 is administered and are present on the day Session 2 is administered, will not have contact with other students that day.

Students who arrive late to school will not be permitted to test that day. He/she will not have contact with other students that day.

On days prior to FCAT the next day, students should go to bed early, eat a wholesome breakfast, and arrive at school rested and alert.
