

Open House 2015-2016, September 8

Everyone at Northview High is looking forward to seeing you at our annual Open House.

Your attendance says so much, letting us know that you are very much interested and involved in your child's education. Hopefully, you will be able to learn some interesting information from the presentations.

You will have the option to choose three (3) sessions for Open House Night. In each session, Northview High School Faculty and Staff will be there to provide you with a more in-depth look into certain aspects of your child's education. The Time for Open House is from 6 p.m. until 7 p.m. You will have three (3) sessions of approximately fifteen (15) minutes each, and you will have five (5) minutes to transition between sessions. There will be a short announcement to begin the evening, when you have arrived in your first chosen session at 6 p.m.
