Escambia Neighborhood Renewal Initiative Mini-Grant

Escambia County wishes to further encourage community and volunteer based redevelopment efforts within the local community redevelopment areas specifically designated to include Atwood, Barrancas, Brownsville, Cantonment, Englewood, Ensley, Oakfield, Palafox, and Warrington redevelopment areas. As an incentive, established neighborhood organizations may apply for mini-grant assistance of up to \$500 through the Escambia County Community Development Block Grant (CDBG) Program for well defined projects that will promote neighborhood redevelopment.

Applicant Eligibility

To be eligible for the mini-grant, neighborhood based organizations must:

- (a) be located in an Escambia County redevelopment area;
- (b) serve as the primary applicant for the Neighborhood Renewal Initiative Grant, though partnerships with other groups or organizations are encouraged;
- (b) have a membership that is non-discriminatory and open to all citizens in the neighborhood (membership must be available to any resident or business owner/operator);
- (c) be formally structured with elected officers, including at a minimum a chairperson/president and a vice chairperson/ vice president;
- (d) represent a distinct neighborhood or area which can be clearly defined in the application;
- (e) be in existence for at least six (6) months; and
- (f) be formally incorporated at the time of application. [County staff will verify evidence of active corporation status through the State of Florida Division of Corporations before grant can be awarded. Applicants do not need to be a 501(c)3.]

Project Eligibility

Projects should be beneficial to the neighborhood redevelopment area and its residents. Projects should be primarily undertaken on public property or in the public right-of-way, though improvements on private property may be considered on a case-by-case basis. Samples of eligible projects include:

- Small scale improvements to existing parks, recreation areas, or community neighborhood facilities (excluding routine maintenance and repairs);
- Beautification projects targeting neighborhood entrances to subdivisions, enhancements along redevelopment area commercial corridors, graffiti removal or such improvements designed to eliminate blighted areas or enhance safety in the redevelopment area;
- Signage such as neighborhood watch signs or entrance signs identifying the neighborhood;
- Neighborhood Watch supplies; or
- House numbers on curbs.

Ineligible expenses include, but are not limited to:

- Food or beverages
- Utilities, Phone, or Internet services
- Ongoing programmatic or administrative expenses
- Repairs to neighborhood watch vehicles
- Gasoline or oil
- Insurance
- Appliances

A copy of Organization minutes approving the proposed project must accompany the grant application.

All projects must be completed within six months of the project start date.

Project Review and Selection

Project proposals submitted in accordance with the criteria established herein will be reviewed and ranked (as applicable) by a Selection Committee based upon: the quality of the project proposal; evidence of neighborhood support for the project; the demonstrated ability of the applicant to promptly proceed with implementation of the project upon selection for funding; and evidence of innovative or unique approaches to fostering neighborhood improvement. Award of projects is based on availability of funding.

Once a project is approved by the Board of County Commissioners, any proposed changes to the approved project must first be thoroughly explained in writing, with revisions clearly noted, showing evidence of association entity support. *Any substantial changes to project proposal and budget may result in termination of agreement.*

A neighborhood organization may be awarded no more than ONE mini-grant (\$500 or less) per calendar year. Neighborhood organizations that currently have an open Neighborhood Renewal Initiative Grant are not eligible to apply. Do not obligate or spend funds before the project is approved by the Board of County Commissioners.

Application Cycle

Escambia County shall receive applications for the Escambia Neighborhood Renewal Initiative mini-grant twice a year as funding permits. Applications for the SPRING funding cycle will be accepted beginning April 15th; the final deadline for the spring cycle is 4:30 p.m., **May 29th**. Applications for the FALL funding cycle will be accepted beginning October 15th; the final deadline for the Fall cycle is 4:30 p.m., **October 30th**. No applications will be accepted after the established deadlines.

An original and one copy of the application, marked “*ATTN: Escambia Neighborhood Renewal Project*”, must be submitted to: Neighborhood Enterprise Division by the stated deadline. Questions concerning the application process or requirements can be directed to Meredith Reeves Nunnari at (850) 595-0022 or mrnunnari@myescambia.com.
